CLERK: Mr. President, LB 430.

SENATOR SAVAGE: We are now returning to General File, LB 430. Senator Kennedy is back in the Legislature. There's been objection to your unbracketing 371. Is that right?

SENATOR KENNEDY: Yes. May I ask the objection and . . .

SENATOR SAVAGE: Senator Cavanaugh, do you want to answer Senator Kennedy.

SENATOR CAVANAUGH: Well I didn't know that you were going to unbracket it. Do you have a different amendment?

SENATOR KENNEDY: Yes. I showed you the amendment about a week ago. Have you read it? Have you looked at it?

SENATOR CAVANAUGH: My understanding was that you were going to go back to the attorneys after we discussed that, in that that amendment has the same problem of acquiring property without a public hearing.

SENATOR KENNEDY: I'll bring you another copy of the amendment. It does just what I think you asked for. They can acquire one lot a year. You probably . . . if . . .

SENATOR CAVANAUGH: I haven't seen that amendment.

SENATOR KENNEDY: Well it was on your desk. I waited for over a week, but I hadn't heard from you so I thought it was agreeable. I'll bring you another copy of it immediately if you want to look at it. What it does is give the college an opportunity to buy one lot a year, which limits them entirely, which was, I thought, your request. The amendment's up there, but I'll bring you another copy if that's what you want.

SENATOR CAVANAUGH: Well my question relates to acquiring and disposing of public properties without hearings and stating the purpose for it.

SENATOR KENNEDY: And this does that . . .

SENATOR CAVANAUGH: You showed me one amendment that did not do that. You told me that you would talk to the attorneys and get back to me. I have not heard back from you. In the absence of having seen an acceptable amendment you know that I read them, Senator Kennedy, before I consent to them.

SENATOR KENNEDY: I'll bring one over to you right now.

SENATOR CAVANAUGH: I'll continue my objection.

SENATOR KENNEDY: I'll bring one over right away. I think it's important that we get this bill passed. I think you should agree with this amendment.

SENATOR SAVAGE: Senator Kennedy what is your pleasure? Do you wish to . . . there's been an objection. Do you wish to make a motion to the body?
